### Recovery Tech Inc.,

Based on the impressive results of your clinical trial, our physiotherapy clinic has approved the effectiveness of your product as a virtual reality game-based rehabilitation system on improving and facilitating the recovery process of patients with stroke.

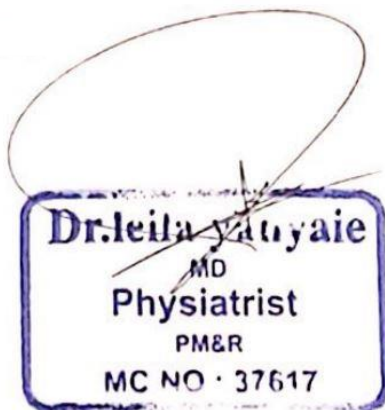

We are interested in using your product in treatment programs of post-stroke patients.

Sincerely yours,

Dr. Seyedeh Leila Yahyae

Specialist in Physical Medicine and Rehabilitation

Owner and Clinical Director of Bamdad-E-Salamat Physiotherapy Clinic
